## FACTORY BRIEF

---

**Sendi Packaging** is a professional manufacturer, offering one-stop service in developing, designing and producing of cosmetic packaging containers, specializes in colour cosmetics, skincare, toiletry and fragrance industries. It has offices in Guangzhou and Hangzhou and is equipped with professional staff in marketing, sales, product, design, after-sales. It has a plant area of more than 6,000 square meters, our molds equipment can open various molds made by plastic material. There are more than 25 set of injection molding machines there and all machines are operated by professional engineers. We also have own QC workers to inspect containers quality in mass production. All containers will be inspected more than twice before shipment.

Within a high-speed development, we've kept a long-term good cooperation relationship with many domestic overseas clients, mainly in Southeast Asia, the Middle East and Europe.
